Security and IT. One accountable partner.

24/7 Managed Detection & Response (MDR) plus Remote Monitoring & Management (RMM), run by a US-based security operations center that acts before damage occurs.

24/7	<1 hr	365	8+
SOC coverage, 365 days a year	Mean time to contain threats	Days of log retention included	Integrated protection layers

SMALL BUSINESS PACKAGE

$1,250 / month

MDR and RMM bundled for up to 10 users and their workstations. Tiered coverage for growing and enterprise environments quoted to fit.

NJ State Contract pricing available · No commitment required

FREE 180-DAY LOOKBACK

New clients can request a free review of up to 180 days of available Microsoft 365 logs — see what suspicious activity may have gone unnoticed, then meet with a Senior Cyber Security Consultant on next steps.

- ✓ **Microsoft 365 & Entra ID log review**
- ✓ **Senior consultant findings & roadmap**

What's included in ManageIT℠ MSOC

MANAGED DETECTION & RESPONSE

- ✓ 24/7/365 US-based SOC analysts with AI-enhanced alerting
- ✓ Endpoint Detection & Response (EDR) on every device
- ✓ Extended Detection & Response (XDR) across cloud, email, identity
- ✓ SIEM with 365-day retention & compliance mapping
- ✓ Internal & external network scanning
- ✓ Microsoft 365 / Entra ID tenant drift detection
- ✓ Dark web credential monitoring
- ✓ Incident containment — isolate, disable, contain in under an hour

REMOTE MONITORING & MANAGEMENT

- ✓ Remote access to endpoints
- ✓ Patch management & software deployment
- ✓ CPU, memory, disk & service health monitoring
- ✓ Antivirus status monitoring
- ✓ Scripted automation (PowerShell, Bash & more)
- ✓ Asset inventory & reporting

EVERY DEPLOYMENT INCLUDES

- ✓ IT Service Desk & user support
- ✓ Microsoft 365 administration & licensing
- ✓ Security Posture Rating (SPR) & real-time executive dashboards
- ✓ Vulnerability management & compliance-ready reporting

MORE THAN MSOC
Five integrated solutions to govern cyber risk.

CyberAdvisor℠	MeasureRISK℠	CATSCAN®	RISKWatch℠	GOVERNAI™
Fractional CISO	Compliance readiness	Pen testing	Third-party risk	AI governance

Ready to see what's gone unnoticed?

Request your free 180-day lookback, or schedule a ManageIT℠ meeting to map the right MDR, RMM, or combined coverage.
